HIGH SCHOOL PROGRAMS

International Boarding school in Beijing China

SCHOOL EXPERIENCE

The school is located on the campus of the Beijing Normal University affiliated No. 2 School in Beijing, China. Saint Paul American School's unique location, coupled with a certified American and Chinese staff, allows our program to truly provide students with a one-of-a-kind high school experience. A true international school, SPAS' student body is comprised of about 300 local and international students (40% Chinese, 40% Korean, 20% International).

This is a boarding school with a brand new library, large classrooms, comfortable dorms (2-3 students per room), an open gym (Badminton and Basketball), other facilities for weightlifting, table tennis, soccer, a swimming pool, a cafeteria, labs, plenty of open space for exercise and other excellent facilities on campus. It provides students with a clean and safe campus life.

Saturdays are devoted to Chinese cultural class and activity. The school's sports teams are the St Paul Bears! SPAS also has a band, dance club, drama club, and a yearbook club.

SCHOOL SYSTEM

SPAS is an Advanced accredited private American high school introducing an exciting opportunity to learn the Chinese language, culture and history while attending an American curriculum taught in English.

Courses are offered in English, Arts, Math, Science, Social Studies, Physical Education, Computer/Web Development, and College and Career Preparation. The special Chinese curriculum is provided by the Chinese sister school (Chinese language, culture, history, music, geography). The school offers 8 AP Courses such as AP Literature and Composition, AP Calculus, AP Statistics, AP Biology, AP Physics 1, AP Psychology, AP World History and AP Chinese.

Graduation is possible.

Location : Beijing

Boarding : Full board

Accommodation : Residence

Length : Semester / Academic Year

Type : Private Boarding

Saint Paul American School (SPAS) is a private boarding high school with an American curriculum (grades 7 to 12) founded 2007.

The school is a College Preparatory School, allowing its students to prepare for US Colleges and Universities admission.

Dual diploma: after successful studies in this school, students may be able to receive a US High School diploma, while being familiar with two cultures - the Chinese and the American.

Partial scholarships are available according to the student's academic achievements, talents, abilities, leadership skills, and overall capacity to contribute positively to the school program.

Application deadline : April 15th for an arrival in August. Late application may be accepted depending on visa delay.

Requirements : Previous interview in the student's home country is required before being accepted on the program. A minimum of two years of English study and good academic results are required. There is no need for Chinese language background. Specific qualifications are required if the student wants to graduate from the school.

PROGRAM	REF.	PROGRAM FEE
