Nacel Open Door and its partners offer American teachers the opportunity to lead a group of their students to study in and tour England. During their time abroad, groups experience English culture, family life, and education. We offer many types of programs to best fit your needs and interests.

**Educational Guided Tour Through London**

**General Information**

- Ages 14-18
- Stay with host family
- Transportation options
- Offered year-round
- For groups of 15 students and chaperone
