

## Session 1: Academics in the U.S.

- Overview of U.S. high school expectations
- Learn highly effective study habits
- Explore assistance opportunities available to you
- Set expectations and goals for the upcoming academic year
- Questions and answers

Sessions available the 16th and 17th of August

## Session 2: English Skills

Students will engage in practical English skills that are fun, interactive, and have practice opportunities using American styles of English to feel more prepared and less anxious.

- Preparatory tasks help with listening, speaking, reading, and writing prior to the session
- Highly interactive experience with peers and tutors

Sessions available the 18th, 19th, and 20th of August

### Spots are limited!

Register today to secure your spot.  
\$50USD for both sessions of the series.
